680%

From 2015 to present, in support of funding and fueling our partners' work to stop and prevent sexual exploitation and assist victims using a trauma informed care approach, the Willmar Area Women's Fund has granted over \$339,000. By amplifying a cause, we strengthened the response in the past five years with a 680% increase to support women and girls in Kandiyohi County. Together, we can move mountains.
